Dear Parents and Carers

I hope your child enjoyed our trip to the theatre last week. It was a fabulous performance and I was extremely proud of all our children who behaved impeccably throughout the whole trip.

Parents' Evenings – Monday 13th and Wednesday 15th February

During the last week of this half term we shall be holding Parents' Evenings to update you on your child's progress. You will be allocated 10 minutes with your child's class teacher to mainly discuss progress in Maths and English. You will also have the opportunity to look through your child's Maths and English books. Please complete the attached form to indicate your preferred time slot and we will do our utmost to meet your needs. If you have any concerns and need more than 10 minutes then please make an appointment to see your child's teacher on another day. Mrs Sellman will be happy to receive emailed forms or telephone bookings. Year 6 – if you would like to meet Mr Newman regarding his Maths and English teaching during this half term please indicate this on your form and we will arrange a suitable date following his paternity leave.

Governors will also be available during Parents' Evenings so you can ask them any questions or raise any concerns you may have.

Please do not leave your child unattended. Mrs Dicks will be looking after children in the school hall from 4:30pm on both days to allow the parent meetings to take place.

6 a-side Football Competition, Thursday 9th February 9am to 11.30am

Boreatton Park – Class 2 and Class 3 Trip w/c 10th July 2017

Thank you to those parents who have provided consent for their child to take part in this trip and paid their deposit to secure their child's place. If you haven't logged into ParentPay to do this please could you do so as soon as possible as the initial payment is due this week. Thank you.

Unwanted Lego and Help Needed!

Children in Class 1 have expressed an interest in having an after school club based around Lego and model building. We have a limited amount of Lego in school but would need more to make the club viable. Please could you let the school office know if you are able to donate any Lego for the club.

If anyone would like to help to run the club please also let us know. Thank you for your support.
