

Charging and Remissions Policy

Review of the policy will take place annually or sooner if necessary.

St Mary's Church of England (A) Primary School promotes the safeguarding and welfare of all students in its care: all policies support the "Safeguarding Policy", are fully consistent with the "Every Child Matters" agenda, and fully support the principles of equal opportunities for all.

St Mary's CE (A) Primary School has adapted the Staffordshire County Council Charging and Remissions policy.

Aim

The aim of this policy is to set out what charges will be levied for school activities, external lettings and extended school provision, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents. Guidance is based on the Education Act 1996: Sections 449-462.

Responsibilities

The Governing Board of the school are responsible for determining the content of the policy and the head teacher for implementation. Any determinations with respect to individual parents will be considered jointly by the Headteacher and/or Governing Body.

Definitions

Community Facilities – activities which the governors do not feel is of direct educational benefit to children at the school

Extended school provision – provision of childcare outside the standard school day where it is optional as to whether the child attends

External Lettings – letting to an organisation other than the school

Sinking Fund – a reserve put aside over a number of years to pay for major maintenance or renewal costs

The Governing Board of the School recognises that the legislation prohibits charges for the following:

- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;

 - Wear & tear (sinking fund)

Remissions

Children who are in receipt of Pupil Premium funding, in addition to having a free school lunch entitlement, may also be entitled to the remission of charges; for example, residential visits, schools trips, resources, enrichment days, music tuition etc. The annual Pupil Premium Statement, reflects the schools allocation of funding for that academic year - according to the needs of the child.

Voluntary Contribution

Parents will be invited to make a voluntary contribution for the following:

- a) Educational visits or visitors to school which enrich the curriculum and educational experience of the pupil

The terms of any request made to parents will specify that the request for a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents:

- a) that the contribution is genuinely voluntary and a parent is under no obligation to pay; and
- b) that registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.

The costs of any optional extra undertaken by any pupil whose parents/guardians are unable to pay may not be included in the charge to other pupils but must be funded through the delegated budget, school fund or other fundraising.

The responsibility for determining the level of voluntary contribution is delegated to the Headteacher.
