Objective - To enhance pupils' exercise through appropriate use of the sports premium and encourage healthy lifestyles.

Sport develops self-confidence and resilience in pupils, as they acquire and perfect new skills outside the classroom. Not all pupils excel in purely academic subjects but they shine in sports. Sport allows pupils to build physical strength and health emotional well being and co-ordination whilst developing tenacity, teamwork, leadership, and discipline, whilst also enjoying time with their peers. Sport should be fun with elements of competition. We are also mindful of those pupils that find sport difficult.
