	<b>We've tried to answer all the questions parents have asked us about the provision we have for children with special educational needs. We hope this is clear and easy for you to understand. If you would prefer to talk to one of our friendly, highly skilled and experienced staff, please just phone school and we'd be really happy to talk to you.</b>
What is SEND?	Special Educational Needs & Disability can be an identified need because of a health issue, a physical, sensory, speech and language, emotional, behavioural or a learning need. Any aspect of a young person's life which has an impact on their ability to freely access schooling.
How does our school know if children need extra help?	Our assessment and tracking system identifies children with educational special needs, parents and pre school settings may also have identified a need prior to a child starting school which is communicated to our school before they start. Health professionals will keep the school informed of any health related needs.
What should I do if I think my child has special educational needs?	You can speak to any member of staff at school and tell them about your concerns with regard to an educational need or if it is a medical need you may prefer to talk to your GP or social worker.

<p>How accessible is the school environment?</p>	<ul style="list-style-type: none"> <li>• Disability pathway leads to the disability access.</li> <li>• School is open from 7.45am for breakfast club.</li> <li>• The school site is flat, pathways direct visitors around the school building to reception.</li> <li>• There is a disability doorway into the hall.</li> </ul>
