

Mrs Denise Keen

Chair of Governors and Foundation Governor (Curriculum, Health and Safety and Strategy)

I first joined St Mary's in 2000, working firstly as a Teaching Assistant and then a HLTA, for around 12 years; returning later to teach RE for 5 years. I have also held various roles on the FOSMS committee and have been a member of the governing board since 2012, taking particular responsibility for curriculum and health & safety.

I am an authorised lay minister for the Loggerheads Benefice of Churches, and I lead the Children's Church Club and the monthly family services in which the children take part; which we hope helps to strengthen the important links between St Mary's Church and St Mary's School.

I feel privileged to serve as a foundation governor at St Mary's, and believe that its Christian values help to encourage a nurturing school community in which all pupils can thrive and families feel supported.
