

Adam Shufflebotham

Parent Governor and Finance Committee

I joined the board of governors in October 2018 as a parent governor and I am on the Finance committee. My son, Jude is currently in Year 4 at the school.

Having left Sheffield University with a BSC Hons degree in Mineral surveying, I have gone on to spend over 20 years working in the non-related area of welfare benefits, debts and money management! I have worked for many local authorities, including many years as a Fraud Officer. I now manage a large team of money advice specialists in a Housing Association, supporting the most vulnerable in our society to sustain tenancies and improve the quality of their lives.

I have a passion for people and seeing how far they can grow and develop and enjoy making a positive difference. I am a keen sportsman with Rugby Union being my passion and having hung up my boots(ish) I now really enjoy and get great satisfaction, from coaching children at Newport RUFC.

My links to St Mary's goes back to myself being a pupil many years ago and I feel privileged to now be able to help this fantastic rural school and all its staff and pupils to be the best that they can.
