

Admissions Policy **Living, Loving and Learning in God's Care.**

St Mary's Church of England (Aided) Primary School promotes the safeguarding and welfare of all students in its care: all policies support the "Safeguarding Policy", are fully consistent with the "Every Child Matters" agenda, and fully support the principles of equal opportunities for all.

Admissions of Reception Age Children

Pupils are admitted on a full-time basis in the September preceding their 5th birthday. There is one admission annually for children starting in the Reception age group in September. Pupils may be admitted to the school in the September intake if their fifth birthday falls between 1st September and 31st August. It is expected that the Reception intake will not exceed 12 pupils during a school year.

Admissions Limits

The maximum number on roll is expected to be a maximum of 84 pupils. The number of pupils admitted in any one year group is expected not to exceed 12. (Published Admission Number, PAN).

Application Process

All applications are encouraged online where possible. If you do not have access to the internet, please contact the school and they will be happy to assist you. For further admissions information and an application form, please use the following link:

<http://education.staffordshire.gov.uk/PupilSupport/Admissions/AdmissionForms>

If any extra documentation is required to support the application, it must be submitted at the time of application.

Catchment Area

The catchment area of the school is the Ecclesiastical Parish of St Mary's Mucklestone which includes, Winnington, Willoughbridge, Dorrington, Knighton, Bearstone, Oakley, Mucklestone, part of Loggerheads, as well as areas designated by the Local Authority (see maps) We welcome applicants from out of catchment and have pupils on roll from Woore, Norton-in-Hales, Ashley, Goldstone and Hales. Some children also come from nearby Market Drayton.

Admissions Criteria

The following criteria for selection will be employed when applications for admission exceed the admission limit. In accordance with legislation, children who have a statutory statement of special educational need and disability, or Education, Health and Care Plan that names St. Mary's, must be admitted. This will reduce the number of places available:

- Looked after children and previously looked after children who are of the Anglican faith over all other children of Anglican faith are given highest priority. Children with special educational, social or welfare needs. (Children distinguished from the great majority of other applicants either on medical grounds or by exceptional circumstances). Children of Service Personnel will also be given higher priority.
- Children with siblings at the school. (Pupils who at the time of the application have older sibling/s in attendance at the school, who will still be attending at the proposed admission date). A sibling is defined as a brother or sister, half brother or sister, adopted brother or sister, step-brother or sister. Or the child of the parent/carer's partner where the child for whom the school place is sought, is living in the same family unit at the same address as that sibling.
- Children resident in the catchment area; the Ecclesiastical Parish of St Mary's Muckleston and the designated Local Authority area, of the school.
- Children whose parents are in regularly attendance of the Anglican Church. (i.e. attendance at least six times in the last twelve months with a letter of support from Religious Leader) [Currently Covid 19 Pandemic restrictions limit attendance to churches].
- Children whose parents are in regularly attendance of another Christian Church, (i.e. attendance at least six times in the last twelve months with a letter of support from Religious Leader).
- Children of non-Christian religion who wish for a school with a religious emphasis.
- Any other children.

In the event of a tiebreak, applications will be arranged in order of priority according to how near their home addresses are to the school. Distance will be measured as the nearest practical walking route from the home address to the main school gate. The Local Authority uses a Geographical Information System (GIS) to calculate distance.

All applications are considered against the above criteria, with no priority awarded to early applications. Late applications will only be considered in exceptional circumstances.

It is the applicant's responsibility to provide any supportive information required in order for the application to be assessed against the criteria above. The school will not seek to obtain this information on behalf of the applicant.

Admissions Panel

Composition: The Admissions Panel will consist of the Chair of Governors, three other Governors of whom it is expected the Parish Incumbent will be one, and the Headteacher of the school.

Responsibilities: The Admissions Panel will consider applications for admission to the school. When the number of applicants exceeds the number of available places, the panel will select pupils according to the published criteria.

The Admissions Panel will meet to consider applications prior to and on the same evening as the scheduled Governors' Meeting. The panel's decision will be presented to the Governors for clarification.

Immediate Admission

When a pupil moves into the catchment area and is transferring from another school, it may be necessary to effect immediate admission. In this event, authority to admit is delegated to the Headteacher, providing there is a place available. The Chair-person of the Admissions Panel will be notified at the earliest opportunity.

Appeals Procedure

In the event of admission being refused, parents will be notified in writing of their right to appeal. The Headteacher will offer and, if required, give advice to the parents on the appeals procedure.

If the parents decide to proceed with an appeal, a formal approach to the Governors should be made in writing to the Chair of Governors, who will set in motion arrangements for an Appeal Panel to meet.

Deferred Entry to Reception Class

Parents may request that their child be admitted to Reception Class on a part-time basis, or that their child be admitted to school later in the same academic year, until the child reaches compulsory school age (i.e. beginning of the term after the child's fifth birthday). The effect is that the place will be held for the child in Reception and is not available to be offered to any other child within the same academic year in which it has been offered.

Before deciding whether to defer their child's entry to school, parents should visit their preferred school(s) to clarify how they cater for the youngest children in Reception and how the needs of these children are met as they move up through the school.

Admission Outside of the Normal Age Group

Parents may seek to apply for their child's admission to school outside of their normal age group, for example if the child is exceptionally gifted and talented or has experienced problems such as ill health. In addition, the parents of summer born children may choose not to send their child to school until the September following their fifth birthday and may request that they are admitted outside of their normal age group to Reception rather than Year 1.

These parents will need to make an application alongside children applying at the normal age, which should explain why it is in the child's best interest, to be admitted outside of their normal age which may include information such as professional evidence as to why this is the case and why an exception should be made in the case of the child. A decision as to whether this is an appropriate course of action will be made by the Local Authority, who will take into account the circumstances of the case and views of the headteacher. Parents do not have the right to insist that their child is admitted to a particular year group.
